# unika

O design exclusivo de Unika distingue-se pela riqueza tátil da sua superfície caracterizada por uma textura minuciosamente detalhada e pelo estilo sofisticado que evoca.

Unika é produzida em 5 tonalidades e em múltiplas texturas distintas que, por sua vez, reproduzem a diversidade e expressividade da pedra natural.

Uma superfície rica em detalhe perfeitamente adequada a ambientes residenciais contemporâneos, bem como a grandes espaços públicos e comerciais através de formatos de grande dimensão, aplicáveis tanto em pavimento como em fachada e revestimento interior.

Unika's exclusive design stands out for the tactile richness of a surface characterized by an extremely detailed texture and by a sophisticated style.

Unika is manufactured in 5 shades and numerous different textures that reproduce the diversity and expressive qualities of natural stone.

A surface that is rich in details and perfectly suitable for contemporary residential atmospheres, as well as for large public and commercial areas, thanks to its large formats, which can be used in both indoor and outdoor pavements and façades.
